SENATOR TAYLOR'S LECTURE.

The lecture delivered to this city last night by Senator "B. B." Taylor, of Tennessee, on the "Fiddle and the Bow," was all that the hearers expected and more. So large was the audience that the lecture was held in the M. E. Church South, instead of the Young People's Building as was at first intended. In beautiful words he pictured his old home as "Happy Valley," in the mountains of Tennessee, and stories of the progress in state affairs were most charmingly related. Senator Taylor was introduced by Rev. O. D. Billa, pastor of the Methodist Episcopal Church South. The speaker is gifted with a flow of language equalled by few and his pathos, wit, humor, and story following in such quick succession kept his delighted audience in laughter and tears almost without intermission. Senator Taylor has a warm spot in the hearts of many Alexandrians. The senator came to Alexandria on the parlor car "Mount Vernon" accompanied by Rev. O. D. Billa and a delegation from this city. The proceeds of the lecture will be devoted to the building fund of the Young People's Building. Senator Taylor would accept no pay for his lecture.

STEAMERS LIBELLED.

Upward fines of \$500 imposed upon the passenger steamers River Queen and Java Moseley by the board of steamship inspection, which is in Baltimore, were responsible yesterday for a libel being placed on each of these boats by deputy United States marshals. The fines were imposed for the alleged failure of the steamers to carry a sufficient large crew, in accordance with the regulations governing the inspection of passenger-carrying steamers. The libel charges that the River Queen had no mate and no assistant engineer on trips she made April 24 and 25 and May 2 and 9. A libel up a fine of \$500 on each boat was imposed under the law in each instance, only one fine was imposed on each boat.

BURNED TO DEATH.

Miss Alice Carr, a resident of West End, was the victim of a fatal accident yesterday afternoon. Her clothing took fire from a cook stove, and before the flames could be extinguished she was fatally burned. Drs. Gorman and Smith were summoned and they rendered all the aid possible, but Miss Carr's death followed during the night. The deceased was a native of New Jersey. She was alone in the house when the accident occurred, her mother being at a neighboring store. On her return she found her daughter writhing in agony, having been burned from head to foot.

POLICE COURT.

[Justice H. B. Caton presiding] The following cases were disposed of this morning:

CHASED MAN WITH A KNIFE.

Some excitement was caused at the extreme southern end of S. Asaph street yesterday afternoon by Moses Washington, colored, who, becoming incensed at Harry Baker, colored, was chasing the latter about the neighborhood with a knife. Officer Barrett appeared on the scene and shot the would-be assailant in the back. Washington was brought before the Police Court this morning and fined \$5.

ALARMS OF FIRE.

There were two alarms of fire last night. The first was caused by the discovery of a blaze in a house at the extreme southern end of Columbus street. The fire was extinguished before any serious damage resulted.

The second alarm was caused by a burning chimney at the southwest corner of Cameron and Alfred streets.

THE RIVER.

The river froze again last night and the surface is now a mass of broken ice moving up and down the tide. Navigation is practically closed to sailing vessels, a tough most of the steamers experience but little difficulty in making their trips. A tugboat with two barges in tow, which are to be loaded with railroad ties, arrived this morning.

SUSPECTED OF STEALING CHICKENS.

Officer Island last night arrested George Jackson, colored, on suspicion of stealing chickens. He had been seen fowling in his possession when taken in custody, and being unable to give a satisfactory account of himself he was locked up. A number of people living in different sections of the city have lost chickens recently, and the fowling Jackson had in his possession are now at the station house awaiting identification.

BASKETBALL NOTES.

Capt. Roth, of the Fort Hunt basketball team, has withdrawn his team from the Alexandria Basketball League and cancelled all remaining dates.

Tonight at Armory Hall the A. L. I. quint will play a team picked from the Y. M. S. L. and Old Dominion teams. The All-Star team's line-up will be: Williams and Entwistle, forwards; Hayes, center; Ockrell and Schwarzsman, guards. Judging from the past performances of these players, and the form the A. L. I. quint has shown lately, the fans will see a good fast game from the beginning to the end. Although this game will take the place of the regular league game scheduled for tonight, it will not affect the league standing in any way.

The George Washington High School basketball five will line-up against the Young Men's Sodality Lyceum Juniors, on Thursday night at the Armory Hall at 8:15. The George Washingtons have added several new players to their team, and it looks as if they will make their opponents hustle to win the game. A large crowd is expected to attend.

FAIRBANKS AND THE POPE.

Outlining the action of the Vatican for refusing former Vice President Fairbanks an audience with the pope because he would not cancel his engagement to address the Methodist churches in Rome, the Minnie Relief Association, of Washington, yesterday adopted a set of resolutions framed by a committee headed by Bishop O'Connell, in which the action of the Vatican is described as "a characteristic expression of its real spirit of the Roman hierarchy."

"We congratulate our former vice president on his manly vindication of the American spirit of toleration and his exhibition of the dignity of free American manhood in this most significant test in Rome," says one of the resolutions. "But against recognition by the government of the Vatican is made in strong terms, described as inconsistent with national traditions and 'a sacrifice of ecclesiastical assumption overgrown by the world and a distinct menace to religious liberty.'"

Bishop O'Connell sent the following telegram to Mr. Fairbanks: "Your dignified vindication of American toleration heartily endorsed by our clergy and people."
